**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose to use sonic.net as my internet provider because they offer superior customer service and pricing compared to my only other options, the duopoly of AT&T and Comcast. I have previously been a customer of the aforementioned companies and despise their service and business models, and am incredibly grateful that I have a responsive local option. Nobody actually wants to do business with the big carriers, they just don't have choice.
