**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love Sonic. Net. It has been my provider for over 7 years, and any time I have trouble with my connection I call and speak to a real person!

I love it, I hate At&t I had them before, and had nothing but trouble when I tried to get ahold of them! Please do not remove the competition!

I want my local company, and a person to talk to, not a voice telling me to push a number .
