**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who supports broadband competition. I use Sonic as my internet provider and I love it. They deployed fiber to our neighborhood in San Francisco and the service is so much better and faster than the large ISP options that we previously had. Also, their customer service is FAR better as well. I want to protect consumer choice and continue to enable local providers like Sonic to provide alternatives to large telecom companies!
