**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I do not support your current actions of decreasing internet access. I support open access policies and price decreases. Verizon has used your current position to throttle internet access for firefighters. The FCC must specifically define "unlimited" internet as truly "unlimited" access with full internet speed.
