**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more competition in broadband, not less. Here in the SF Bay Area which is a tech hub, internet access is dominated by two large carriers (Comcast and ATT) and smaller carriers are hard to find with limited service areas. I'm currently using small carrier high speed DSL because I'm fortunate enough to live within the right service but many people do not.

Please err on the side of greater competition and market access for smaller carriers, not less!
