**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that supports broadband competition. I have a competitive phone service and believe that competition is key to keeping the internet available to all segments of our society. Additionally competition keeps prices down. Thank you for doing the right thing and keeping the internet available to all.
