**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose to use an internet service provider that is not one of the big two available in my area after years of seeing my bills only increase with one of the big two (ATT & Comcast). I tried them both and each time the service started out reasonably priced, but only kept going up.

My current provider is reliable and the price has stayed the same. Do not move towards less competition and less choices for consumers.
