47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I absolutely support Broadband competition. I have used Sonic for 20 years and this small company provides instant help!! All I need to do is call and my problem is solved by a REAL person who can give me help in nontechnical language that I can understand. Sonic is also my wifi phone provider. I can call all over the world without having to pay extra.
