**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am one of the many satisfied Sonic fiber customers in California. I believe that if USTelecom is successful in its petition to remove wholesale, regulated access to UNEs then this will have a negative impact on competition. The result would be increased prices to small businesses and residential customers of smaller ISPs. Please do not approve USTelecoms petition.
