**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. I have been a customer for almost a year. I love the price and the quality of my internet service. Taking this from my family would not be good. My children use this service daily for school and just for streaming movies and games, Raising the price will be an inconvenience.
