**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic is the only internet provider in my area who has good privacy policies; the other internet provider giants in my area don't. Sonic has great customer service and the employees I've spoken to who work there say it's a great place to work. I don't want small companies forced out in favor of giant companies that don't care about customers and overwork their employees. Please support broadband competition.

Sincerely,

Chelsea Martinez
