47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen a competitive provider -- sonic.net. They also provide me with telephone service. Their prices are reasonable. But even more important their service is amazing. Sonic is a small local company. One can always get a real person on the phone to talk with, NOT an endless phone tree. Their technical support is amazing.

Please, I don't want to lose Sonic!!!
