**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition serves consumers -- please don't take it away. What's the motivation behind taking away choice? I chose Sonic for internet because back in college, Comcast had such horrible customer service that I promised I would NOT support their business any longer. Same with AT&T. If they are the only players, their service will be even worse, and I'll be without internet at home.

Thanks,

Andrea
