**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need local internet competition to stop big corporate monopolies! I choose a competitive provider who is accessible in my area. Local providers are critical to our economy and provide for more choice in broadband. I feel that this competition will also help control prices!

Sincerely,
