**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I only have 3 options where I live. At&t, Comcast and Sonic. I started with At&t and had so many problems that I decided to move to Comcast which was a great mistake since I had even more problems with them. I am a web developer and work from home and need a fast and reliable internet connection. After years of struggling with these two companies I found Sonic. They have been great but there is a problem, they can only offer me 25Mbps/1Mbps. This is barely enough for me to get by with my daily tasks as a developer. I wish I had more options to get a first world internet connection.

Respectfully,

Jose Cruz
