**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is the backbone of our capitalist system. Don't abandon it in favor of a telecommunications monopoly by the big companies. I can hardly wait to end my contract with Comcast and switch to a company now renting from ATT. This company will cost less than half of what I am now forced to pay.

Thank you for upholding free competition with the Bridge 2 Broadband.
