**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic Fiber due to AT&T's terrible customer service and terribly slow, costly DSL product and there is no way I would ever use Comcast who is 10 times worse.

The less expensive fiber broadband to our home is critical not only for all of our entertainment on wifi, but two child students and one adult student who rely on fast internet speeds to complete their online assignments.

Everyday life is expensive enough and if this passes and gives me only one expensive choice, it will hurt us financially.

PLEASE DON'T LISTEN TO THESE MONOPOLIES' LIES!!!!
