**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition in the ISP is critical for innovation, protection for customers, and keeping the landscape open for consumers and new business.

Do your job -- look out for the citizens and taxpayers, not big corporations like Comcast, AT&T, and Verizon. Protect us, not them!

November elections are just around the corner. Please do the right thing for citizens, not corporations!
