**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the move to lesson broadband competition. As a consumer, I am tired of the constant tilt to the big firms that drives smaller firms into non-competitive positions.

I do not believe any of the major telco are suffering today, while hundreds of thousands of Americans are tired of paying more for services year after year, with less service and less responsiveness.

It's time to say, enough is enough. The big guys are big enough, and they will squander there ill-gotten increases in revenue on additional bonuses for their Executive Staff.

I have paid thousands of dollars over the past decade for poor, unreliable service.
