**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Save Bridge 2 Broadband! I get my internet service for my home and business from Sonic, a small provider that relies on Bridge 2 Broadband. We have fiber which is far superior to the old DSL connection and I rely on it to transfer large files.

No to price hikes that will increase the cost to consumers.

I've tried AT&T and other big companies and been disappointed with their product and service.

Don't let big companies squash competition.
