**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose my provider based on price, customer service and business practices. In this modern era, broadband is critical to my staying connected to my family, friends and community. after having service provided by AT&T and Comcast, we switched to Sonic because we were not getting good service from the previous two.

I support broadband competition.
