**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am only able to get one provider at my home. My rates are continuously being raised and I am helpless to do anything about it. I am not happy with my provider's privacy rating. The technical support is truly unfriendly and I get passed to different techs. I wanted to find a new place to live with more options for utilities, but I live in a California community that was recently impacted by a wildfire. Because of this all of my utilities are gradually increasing and I will no longer be able to afford the luxury of the internet in my home.

Thank You,

Paula Graveman
