**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

AT&T screwed me by raising rates on low speed internet dsl. Then when I call they dance around and give a little bit for so so speed.

Sonic charges less and delivers faster speeds too. And they use leased AT&T lines.

If the guarantee of reasonable pricing for the lines is eliminated, Sonic will be priced out of the market. Then it will be AT&T or Comcast; no one else is currently available. I live in the heart of Silicon Valley and there is almost no real competition.
