**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I do not use AT&T, but rather Sonic a competitor in the market using UNE fiber optic to provide faster, cheaper broadband service.

I previously had AT&T DSL. Service was slow, unreliable, and expensive. The price kept increasing but the speed never changed.

Once I changed to Sonic fiber optic broadband service, speed was extremely fast, service was reliable, and it was much less expensive than AT&T.

USTelcom's petition is full of inaccuracies and should be summarily denied.
