**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic provided me with a better, faster and cheaper product with better customer service than Comcast has EVER provided to me. I was (and still am) ecstatic that I finally had a viable alternative to Comcast in my home market of San Francisco, CA. Other internet providers exist, but Sonic was the first to provide an alternative to Comcast that actually provide usable high-speed internet.

Eric Webb
