**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is critical to the American economy. Monopolies are a very dangerous threat to any and every free market. It is critical in this climate that government oversees big business to protect our American free market!

As an internet consumer and small business owner I implore you to STOP Big Telephone companies like AT&T from raising prices and cutting off competition.

Thank you.
