**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I previously was a Comcast customer in San Francisco. My internet was constantly throttled by them. Once I switched to Sonic a local provider I have had no throttling and only fast speeds. Please do not take this away from me. It is not fair to kill competition and make the marketplace only have large Corporations like AT&T and Comcast.
