**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The United States lacks in high internet speeds for the developed world. Please stop trying to take us backwards and instead find a way to move us forward in having one of the best internet speeds in the world. These corporations don't care about making the internet better but rather their pockets. Help everyone in America and save the internet!
