**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. The service I get from my small carrier is much better and cheaper than the service i received from AT&T, before I switched. Competition is necessary for the free market to deliver the best value to the customer. Monopolies only serve to make money and don't improve the good of the nation.
