**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm currently a resident and business owner in The Mission of San Francisco. Both my house hold and store front have been long time users of Sonic because of their commitment to our community and they have recently transitioned our community into fiber run areas. Their service has been ideal and any changes to their ability to continue to provide the same services would negatively impact us. Please don't price hike and allow the market to have competitive choices. Thank you.
