**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential consumer and chose a competitor to AT&T for my home and my in-home business, because the rates and service offered by Sonic.net are simply better. I want the FCC rules to allow competition with large companies and I do not want my residential status to be ignored by FCC rules. We need to abolish monopolies by large companies that overcharge consumers!!
