**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic for my internet and home phone service. After years of using AT&T and getting terrible service, terrible pricing and poor quality phone and internet service I decided to switch. I will never go back unless forced by the our government not supporting competition.

I used my internet and phone for,home based work so it is essential. ATT was charging me almost twice what Sonic is charging me today. If you remove the opportunity for local broadband providers like Sonic to,compete I'm going to immediately pay more for,lower,speeds and worse service. Furthermore,there,will be no reason for ATT to not raise prices even further.

Please do not change themselves to favor big companies over local companies.
