**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to keep competition in broadband and be able to choose my provider. My local carrier is leaps and bounds better than the national carrier in my area. I can choose from several phone companies, let this be the same for internet.

In addition I want small markets to be able to use local carriers and continue to serve underrepresented areas.
