**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I don't see the reason for SONIC to be held back from providing high speed internet service. AT&T stopped by my house and the rep. told me that I would eventually be forced to use them for my service at home. That didn't sit well with me and I think we as customers should have the ability to choose for ourselves which service we want to use.
