**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to support more competition for broadband access, not less. I am a retiree who relies on our small, local provider for access to the internet world. My local provider is much more affordable and provides more options than the large companies in our area. Small, local businesses are the backbone of our economy. Please support them.
