**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value my local internet provider's ability to provide broadband to my home by making use of AT&T's copper wires. This allows me to have competitive internet access and to support my community. I am able to have choice as a consumer and a good product at a reasonable cost. I also really appreciate that my local company offers (and is committed to continuing to offer) net-neutral service.

Please ensure that local companies are able to continue to lease the existing infrastructure.

Thank you.
