**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As one of the consumers and business owners in California, I am concerned about the recent US Telecom petition.

I am writing to oppose the US telecom petition, as I chose a competitive competitor to help encourage quality improvement and higher standards of service. As a business owner and physician, we rely on competitive pricing and quality service. The fiber connection I currently use is far superior in quality and speed than the previous DSL/cable connection.

Thank you.

Sincerely,  
Lydia H. Chan, MS, MD
