**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a local internet provider because of the excellent support. They provide my internet and phone.

I support broadband competition and expect the local provider to provide a product and service that is superior to the larger providers, which offer an assortment of packages (products) that I am not interested, at a cost I am not willing to pay.
