**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is the heart of capitalism--small providers must be allowed to compete with the big telecoms. I switched from ATT to Sonic--my service is better and more affordable. ATT sends me at least 2 advertising letters weekly--its easy to see their interest is primarily in more customers rather than better service.
