**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an individual consumer who received poor service at a high price before Sonic became available in my region. I can now reliably work at home and moreover count on a high quality of customer service as a result of having Sonic as my ISP. I would be truly devastated if I were left without the option of my local service provider, as it would mean returning to a system where I shouldered prohibitive costs to receive unreliable internet access and inaccessible/unsympathetic customer service.

Thank you for your attention.
