**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Due to the lack of real competition providing broadband competition for years my household was stuck with slower services. Today I finally have fiber service and truly fast and reliable connection.

This has allowed me to reliably work from home from time to time and enjoy much better quality of internet services including streaming. Please allow competition to thrive and provide better services to consumers. This is the American way.

Thank you
