**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been using Sonic Fiber as my internet and telephone services provider over a year now. I am very happy with their service and the reasonable price. Sonic also has good reviews from my friends and neighbors.

Before I switched to Sonic, I used AT&T DSL and U-verse for my internet service. AT&T broadband speed was very slow and we had lost internet connection quite often.

Please keep Sonic Fiber service in our community and don't increase the cost of internet and telephone services.
