**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been waiting years for fiber broadband and now love it. In fact it's critical to my business and personal info management. I do not support price increases not reduction in choice. Local providers have actually provided the best products and services. High speed fiber has also enabled competitive phone service for me and my family.
