**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I believe that competition is necessary for us to be best served as consumers. Because of the current offerings in the sf bay area, I was able to switch to a different provider because I was not being well served by my original provider. Without this type of competition I would not have been able to get a lower price and better connection. I support broadband competition.
