**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm writing to support our local internet and phone carrier's ability to expand and grow and serve our community. I believe that the USTelecom petition will get in the way of that. We need to save healthy competition for providing access to the internet. As a teacher I depend on reliable and affordable internet access to create my lesson plans and communicate to my students. I teach courses online as well, and any disruption in cost or service will impact the feasibility of doing my work. My local provider is a big part of my ability to do the work that I do.

I am against the USTelecom petition, and I urge you to vote against it.
