**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

One after another small business is consumed by huge multinationals everyday. We must have competitive businesses to prevent a monopoly and blank homogenous landscape where no choices are really choices, just one big platform with one big company.

Please consider the American way, free enterprise and competitive business models. Don't give in to the bribes and lobbyists.

Be true to our Nations best interests, not the lobby or politicians.
