**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use my broadband service to make my living which makes it a very important utility to me.
Trying to make it more difficult for honest competition to give consumers a real choice is not what
the FCC should be doing.

Stop working for the corporate behemoths and do your job of protecting the interests of the
American people.
