**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I used to have AT&T for my phone and internet, but their prices increased to \$100 per month. So I started looking for a competitor. Found Sonic and had a great discount the first year. I'm now paying \$66 per month and was able to keep my phone number with the switch.

Sonic is always there for me and I am glad I made the switch.

I access the internet morning and evening to keep current with my email, puzzles and games. I have their DSL service and my landline is mostly used for incoming calls. I also have a cell phone but don't use it much.

I have been using computers for a long time and have no intention of giving them up.

Please continue to let Sonic to provide me access without a bunch of rules and regulations and taxes that would remove it from my life.
