**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen a competitive provider (Sonic) as my internet and phone provider specifically because they are local and priced competitively and provide access real people to help with problems. The big companies just don't do that. Broadband is critical for me because I am self-employed and work from home. It's a small business so I can't afford price hikes.

I SUPPORT BROADBAND COMPETITION!
