**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was stuck with my other provider for the longest and none of the competitors seem to offer anything better until Sonic came along. I am a consumer that supports broadband competition and really love the service I currently receive. I do not support price hikes on the cost of internet and telephone service.
